EXCLUSIVE!

It's *The Valleys'* Natalee!

And she's in her work clothes!

THE VALLEYS
burst onto our
screens last

September, well, much like Swansea FC. Brimming with unknown but hugely talented signings, it's won fans with a fresh playing style and impressively fit team.

One of the clothes-allergic highlights was bad girl Natalee. So when we looked around for the right girl to shoot to mark the return of the show, we didn't have to look far.

Hi Natalee! *The Valleys* has been a huge success. Are you planning to overtake *Geordie Shore*?
I don't know if the plan is to overtake it, but *The Valleys* is newer, fresher, funnier, and sexier! Plus, we'd take them in a fight, easy. We might look nice, but we can have it! ▶

**NATALEE

Natalee in the
new series of *The

Nuts NEWS

Santa's late
arrival surprised
everyone

Are you really as bad as you come across on the show?

No! The truth is I'm a nice person until you push my buttons, then I tend to explode.

Do you get recognised?

Yes, but people think I'm Jenna and Jenna's me!

If the show a true reflection of life in the valleys?

I don't think we do anything different from other people our age. The only difference is our naughty moments are on film!

Is all the negative publicity hard to take?

I take it with a pinch of salt. Some of the insults can get a bit personal, but most people would love to be in my position and I fought hard to get here.

Did you celebrate when Wales beat England in the rugby?

Ha-ha! Yes. I was in Cardiff, and it was absolutely rammed. I got so drunk my boobs were hanging out over my top!

Does anything shock you?

The twins in the new series of *The Valleys*. I thought I was mad until I met them!

What's great about Wales?

Me! Ha-ha. Apart from that it's just a mad place to live. And it's friendlier than other places.

Do you fancy any footballers?

No. I prefer normal blokes, as long as they brush their teeth and wear nice shoes.

What Welsh phrases can you teach us that might come in handy with a lady?

You can start with, "Come over here for a cwtsch!" [A hug – Welsh ed] Because we all know what happens after cwtsches!

Thanks, Natalee! Finally, what can we expect from the new season of *The Valleys*?

Lots of laughing, fighting, shagging and bitching!

"I much prefer normal blokes to footballers!"

Luis Suarez spam & gags!

Brilliant funnies thought up by our crack team of internet spammers!

WITH SLIGHTLY-wrong-in-the-head Liverpool striker

Luis Suarez last week going all "Hannibal Lecter" on Branislav Ivanovic's arm the internets positively exploded in a mushroom cloud of funny. We harvested, filtered and slapped the best on some paper, right here, look!

TEN-MATCH BAN!

Suarez won't be able to play football anywhere in the world from now until late September.

'Luis Suarez: "I just wanted to have a taste of Champions League success!"'

'Just bought the Luis Suarez computer – one byte and no memory!'

'If you'd offered Suarez a point before the game he'd have bitten your hand off!'

'I can't help but think if Suarez had his teeth removed it would be a win-win for all parties.'

'Final thought on Suarez biting incident. Will Ivanovic go home with some kind of commemorative plaque? Or had Luis flossed?'

'So, Suarez has got a ten-game ban. Poor lad's going to starve to death!'

'Apparently Luis Suarez has spoken to Ivanovic on the phone. Not to apologise - he just wanted to order a takeaway.'

Wingsuit mentalist!

Man's 155mph skim through hole!

➔ **TO EXPLAIN:** man jumps from helicopter at 300ft. Man opens wingsuit, reaches 155mph. Man approaches 20ft by 20ft cave opening in mountains in Spain. Man fully commits, probably puckers up downstairs. Man skims through with a foot or so to spare.

● Watch the vid at nuts.co.uk/spambank.

Wingsuit nutter Alexander Polli prepares to launch

The 20x20ft gap, as seen from Polli's headcam

Polli approaches at the gap at 155mph...

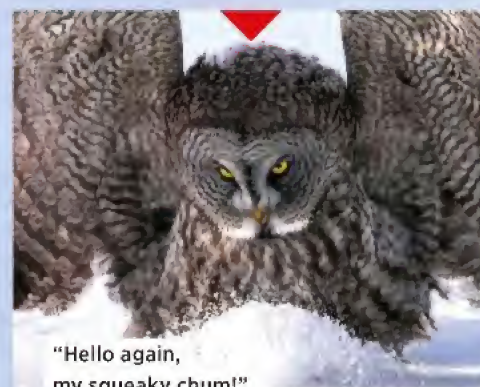

And he's safely through!

Owl grabs lunch!

Feathery fiend flies in for fast food!

➔ **THIS, CHAPS,** is not a tale of plucky survival or an against-all-odds escape. Nope. This mouse is now in rodent heaven (or hell – it might have been a douchey mouse) following a simply majestic swoop 'n' snatch by this grey owl in Minnesota, USA. At least it was all over quickly, although without a whiff of a, “Man on!” shout from one of his mates. The evil gits.

"Owl? Don't be stupid, they're nocturnal! Oh sh..."

"Hello again, my squeaky chum!"

"So, what's this about calling me Mr Plate Face?"

"I've got something on my mouth?"

HE'S BEHIND YOU!

The Evil Within revealed!

It's *Resident Evil* bloke's new game!

➔ **YOU MAY** not have heard of the name Shinji

Mikami, but the inside of your underpants have most likely had a few brown doodles scribbled on them by his games.

Mikami is the father of the *Resident Evil* franchise, see, so this new one – *The Evil Within* – is definitely worth a squizz. It'll hit all sorts of nice consoles next year.

Here's what we know...

CLASSIC SCARES!

"I want to bring survival horror back... to where it was," Mikami has said of this game. If these screens and his back catalogue are anything to go by, it's going to be genuinely creepy.

ZOMBIES!

These are your more bog-standard enemies. Wrapped in barbed wire or stuck through with glass shards, they shamle slowly and are hungrier for human flesh than Luis Suarez!

HEAD SHOTS!

Don't panic, the survival horror benchmark is present and correct. Pull off a perfectly-aimed head shot and the zombie's head will explode in a satisfying plop of brain matter.

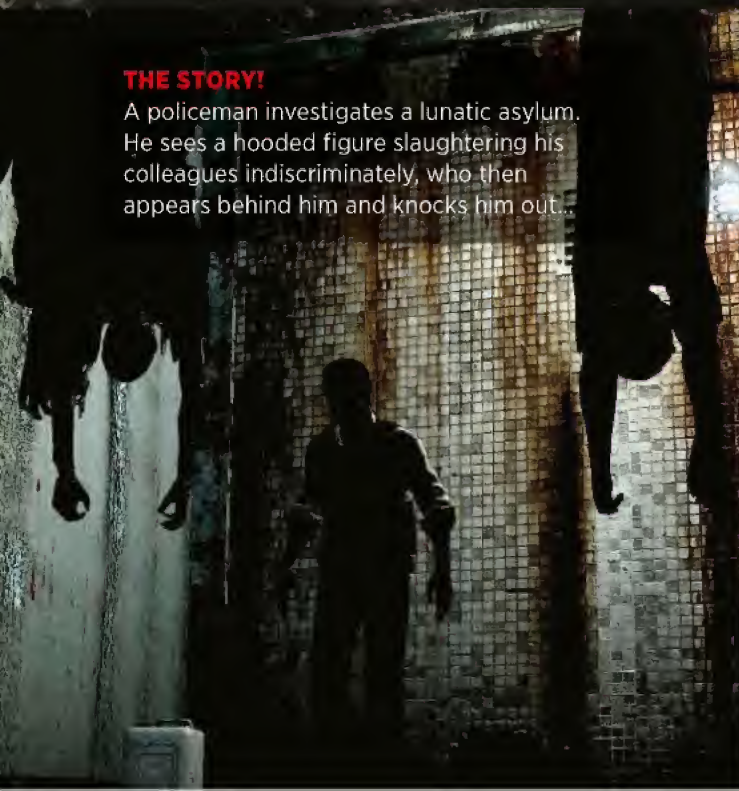

BOSS BATTLE!

This scary chap is announced in a fountain of blood - a multi-armed, multi-legged freak that comes at our man like an express train of gore. And probably not to give us a nice hug.

THE BUTCHER!

This is the first enemy our man meets. He's strung his victims up like a people abattoir. He cuts one down and guts him expertly. Our man then has to escape his clutches.

THE STORY!

A policeman investigates a lunatic asylum. He sees a hooded figure slaughtering his colleagues indiscriminately, who then appears behind him and knocks him out.

Streetmap snaps sauciness!

Aussies scam internet cam!

KUDOS TO this quick-thinking Aussie couple. Seeing Google's Streetmap-snapping car trundling down the road, they set up this scenario, including bum-flashing shorts, beer and "No photos!" hand. Beaut! Ripper! etc.

"Mum! I'd like you to meet my new boyfriend!"

"Oi, Collymore, over here!"

The 220mph super hybrid!

Meet the Italian/Chinese Icona Vulcano concept – it's a 937bhp, £700k mongrel!

- Ferrari's forthcoming LaFerrari promises to deliver 950bhp from a 6.3 V12 and an electric motor. Then comes the McLaren P1 with 903bhp, thanks to a 3.8 twin-turbo V8 and clever leccy muscle. Both cars claim a 0-62 time of under three seconds, and both will nudge 220mph.
- But what you're staring at here has 937bhp and will reportedly crack 62mph in under *two* seconds and also poke 220mph.
- This handsome car is the Vulcano, conceived by Icona – an Italian company based in Shanghai, who offer "the best of European design, engineering and

prototyping experience in the automotive sector for the benefit of customers in China". So, Italian and Chinese experts who know how to build sports cars.

- There are two versions of the Vulcano. The fastest – the H-Turismo (street) version – carries a V12 beneath the bonnet which works in tandem

with an electric motor. 937bhp goes to the ground through the rear rims, just like the McLaren P1 and LaFerrari. The other is the H-Competizione (racing) version, which has half the number of cylinders, yet only 79bhp less snarl.

- **Engineer Claudio Lombardi is responsible for the mechanicals in both models.**

He oversaw many of Lancia's World Rally Championship wins in the '80s, then got involved with Ferrari's F1 power-train developments of the '90s. Now, his focus is on evolving electric hybrid cars.

- The bodysell is sculpted with side intakes, front wing cut-outs and diamond shaped side windows. It's a real looker.

- The curves were drawn by French designer Samuel Chuffart, who previously designed cars for Nissan, Jaguar and Stile Bertone.

- If this £700k-odd car makes it into production and produces the performance figures being banded about, the Icona Vulcano will guarantee its name in the record books.

Chinese man does roadside eye scraping!

➔ **THE WORST** a man can expect from a visit

to the optician here in the UK is a spot of nose breathing and creeping halitosis. But in China, it seems that eyeball cleaning – by shaving its surface with a scalpel – is standard practice.

Indeed, Liu Deyan has run his eye-cleaning stand in Chengdu for seven years now, and sees a roaring trade. In a five-minute process, he cleans the eyeball, then shaves its surface. Creepily whispering throughout, "Is this better? Or worse?" Probably.

Cement mixer tears man's hand to pieces!

WHEN DAVID

Thomas turned up for his shift on a building site, he had no idea it was going to end so badly.

"I opened the chute on a cement mixer and found the concrete had set," he explained. "I got a piece of wood to move the blockage, but it got dragged in. Then the mixer dragged my hand in as well. I pulled my hand out and was like, 'That was lucky!' But then the blood came. The first-aider looked at my hand and threw up!"

Scans revealed David had severed three nerves, blood vessels and tendons, broken his thumb and suffered major degloving of his palm.

He needed 70 stitches in his hand and a steel pin placed in his thumb. "I'll have about 80 per cent movement in my hand when it's healed," David says.

That's still enough movement to read Nuts!

Food for thought

LITTLE TIMMY is in the park one afternoon with his dad when they stumble across a couple making love in the bushes.

Timmy says, "Dad, what are they doing?"

His dad says, "they're just making cakes, son."

Next morning, Timmy comes down stairs and says, "Dad, you and mum were making cakes this morning, weren't you?"

His embarrassed dad says, "Yes, son, we were. Why do you ask?"

Timmy says, "Because the dog just licked the cream off the sheets!"

PEOPLE SHOULD remember that calling 999 is sometimes a public service, done for the benefit of others. One elderly male caller phoned recently and said, "There's a woman over here doing some gardening in one of those hot thong bikinis."

"Sir," said the exasperated dispatcher on the other end of the line, "999 is an emergency number. What on earth do you expect the police to do about a woman doing gardening in a thong bikini?"

"Nothing," the guy said,

"I just thought you fellows would like to know!"

"That's terrible!" said the first woman. "If you'd only looked in the freezer we'd both still be alive!"

Kevin Bridges:

"I saw a sign saying have you seen this man? So I rang them and said, 'No!'"

Rob Beckett:

"I was walking home from school and a van drove past. The bloke in it threw a sausage roll at me and went, 'Eat that, you fat prick.' The most degrading part was it went down the drain, so I couldn't even eat it!"

Seann Walsh:

Stewart Francis:

"My ex-girlfriend said we can work on my bladder problem together. I said, 'There is no we!'"

Benny Boot:

"When I die I've decided I'd like to be cremated, but on the morning before I'm going to eat a kilo of raw popcorn kernels. My relatives are going to be sad, but not for long!"

A woman with long, dark, wavy hair is sitting on a bar stool in a dimly lit bar. She is wearing a leopard print strapless bra, black sheer stockings, and black high-heeled shoes. She is looking back over her shoulder at the camera. The background shows a bar counter with various bottles and glasses, and a red light source on the right.

Geena Mullins!

We're head-over-heels for this Huddersfield hottie!

“It turns me on
when I know
someone
wants me!”

H i Geena!
Welcome back
to *Nuts*. How
are you?
Hi! Thank you.
It's good to be
back. I love these shoots.

**What's the naughtiest thing
you've seen recently?**

I went out with my friend and
we saw two girls run into the
toilet cubicle together, holding
hands. When they came out,
they looked all flushed!

**Lucy Pinder recently said some
nice things about your boobs.**

How does that make you feel?
It's so lovely! To have her talk
about me like that is crazy.

**What's the sexiest thing you've
ever seen in *Nuts*?**

Lucy Pinder and Rosie Jones
were in the same issue a while
back and they were both pretty
naked. That's the kind of thing
dreams are made of. My
dreams, anyway. Ha-ha!

**If we went rooting through
your drawers, what's the most
surprising thing we'd find?**

Probably a box of chocolates.
I stash them everywhere!

What never fails to turn you on?

That moment when someone
really wants to have sex with
you, and you can just tell.

**Are you doing any of the
festivals this summer?**

No. I went to V Festival once
with some of my friends. We
were standing in a muddy field
for three days, cold, wet and
drunk. There were times when
I just wanted my bed.

**So you'd prefer to stay in a cosy
hotel rather than a tent?**

I'd have to indulge my
adventurous side a little bit
by staying in a tent, but I think
after a while my body would
be crying out for some luxury.

Describe your perfect date.

I don't mind what we do, but it
has to be with somebody who
knows how to communicate.
No awkward silences, please! ►

"I always wear
my sexiest
lingerie
in bed!"

What's your favourite food?

All of it, I think. I love food! At the moment I'm really into Japanese and Thai food.

Do you get recognised much when you're out on the town?

It's happened once or twice and it made me cringe. I find it so awkward. It's not like they recognise me from the movies, is it? When they look at me, I just know they're thinking, "I've seen your boobs!"

What's your sexiest outfit?

Well, when I go to bed I have a habit of wearing the sexiest lingerie I own. I have no idea why. I think it's a mental thing.

If you could change one thing about *Nuts*, what would it be?

Nothing at all! I'd like to arrange a massive, crazy shoot, though, which would take up the whole magazine.

What's the craziest night out you've had recently?

I don't do crazy things – I'm so normal. Although I went out recently and fell down some stairs. My friends didn't help me – they just stood over me laughing and taking photos!

Oh dear! What's the most extravagant thing you've bought recently?

Ooh! I bought a new clutch.

For your car?

No, silly, it's a kind of handbag!

Do you have a girl crush?

Yes! I have a big thing for Rochelle Humes from *The Saturdays*. I saw her on TV and suddenly I was like, "Oh my God, you're so attractive!"

If you could meet one person alive or dead who would it be?

Audrey Hepburn. Those early female role models like her are so interesting.

Thanks, Geena! Finally, can you give us blokes some top tips for improving ourselves?

If you're talking about clothes, a good tip is to be original and be yourself! **X**

NICK GRIMSHAW

Vs the Nuts Question Bucket!

Radio 1 Breakfast host spills the beans on his famous pals and his new TV show!

THE RULES are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

Hi Nick! You've got a new BBC Three show called *Sweat The Small Stuff*. Um, is it based in a sauna?

No, although hopefully it will be in series two. It's a panel show that's all about life's little worries, like, "Should I accept my

mum's Facebook friend request?" or "Can you be drunk in front of your grandparents?" or "Should a grown man be banned from liking Justin Bieber?"

How hungover/tired were you when you presented the Breakfast Show after the Brit Awards this year?

Really, really tired and hungover. But it was a culturally relevant hangover, which I did for the country.

If you were a brain surgeon, would you still go drinking the night before?

My friend's a brain surgeon and he says he wouldn't because he'd remove someone's face.

Have you ever nearly been sick in the radio studio?

I'm not a puker really. But I think people in the '90s must have been sick on Radio 1. [Zoe] Ball, [Sara] Cox, [Chris] Evans.

You died your hair pink for Comic Relief. Do you feel outdone by Jesse J, who just shaved all hers off?

Well, not really. Jessie J looks really nice with a shaved head. I've got a horrible-shaped head.

You were recently voted second-best dressed man in the world ahead of your mate Harry Styles. Have you rubbed it in?

I've not yet rubbed it in that my clothes are nicer than his. But they are.

Did you get a bit jealous when you saw that Harry Styles had been palling about with Rio Ferdinand and Russell Brand?

I'm devastated! I saw Rio Ferdinand in a car park

once and said, "Hello!" because I thought I knew him. He was like, "Er, hi."

What's the breakfast show rivalry like with Rickie and Melvin from Kiss FM? Is it all "handbags at dawn"?

Um, no. Two against one might be unfair. There's a friendly rivalry. I listen to them on the way to work.

You banned Rihanna records after she failed to turn up for your show. Why didn't you ban her from listening to Radio 1?

I wanted beef with someone so I thought I'd have beef with her. But when we actually did the interview, she didn't have a bloody clue about it.

Is your fridge always empty?

I reckon there's three beers, a yoghurt, some milk and some vegetables that I'll eventually have to throw away.

Who'd win an omelette-making contest between you and Chris Moyles?

He's quite good at cooking, but so am I. Omelettes are tricky. I reckon I'd win with any other generic dish. ▶

The election results descended into farce

You're 28 years old. Westwood is 55. In the story of your life, would he play your dad?
Yes! I'm obsessed with Tim. He always ignored me then Drake gave me a shout out and now he loves me.

"And now for my Russell Kane-goes-shopping impression!"

"Yep, it supports a bucket - no more hairspray needed"

DISC-SPINNER!

I know them but I don't really know them. If I am, I'll buy a hat.

NUTS AT WEMBLEY

Behind the scenes at the home of footy!

WE LOVE all the drama of a cup tie here at *Nuts*, but we always wonder what goes into making the coverage. So, we joined the ESPN guys as they prepped for the recent Millwall vs Wigan FA Cup semi-final. Here's how it panned out...

34 *Nuts*

NOON *Nuts* arrives at Wembley with over five hours until kick-off. We enter a covered car park full of lorries from various TV companies. We might be at the home of football, but it feels more like below-deck on a cross-Channel ferry!

13.00 We grab some time with expert John Barnes and ESPN host Ray Stubbs. "Ray has to bring everything together," says John. "I have to tell people what they're watching and give them a professional view of what's happened."

14.00 We run into co-commentator Craig Burley. "I work with our director during the match through a special button to discuss camera angles and topics. Sometimes it f**ks up so you have to be careful not to swear on live TV!" he explains.

15.59 We arrive at the tiny ESPN studio, which is crammed with busy technicians, camera people and make-up guys preparing everyone for the upcoming broadcast. Ray, meanwhile, is going through his script.

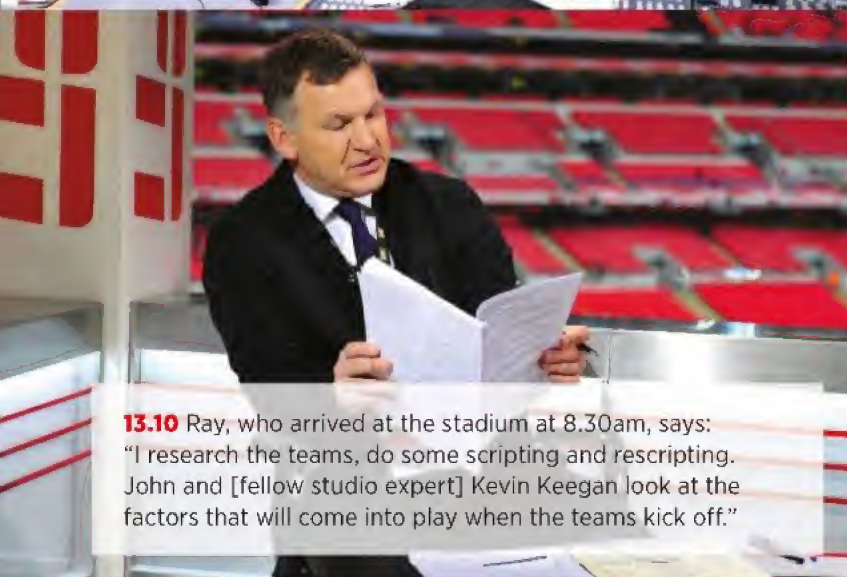

WORDS: ANTHONY TEASDALE PHOTO: ELLIS O'BRIEN ILLUSTRATION: MARK PETTY @PARKGRANDE.CO.UK ESPN WILL BE FIRST LIVE COVERAGE OF THE FA CUP FINAL WITH A WHOLE DAY OF PROGRAMMING DIRECT FROM WEMBLEY, STARTING AT 8AM. FOR DETAILS VISIT WWW.ESPN.CO.UK/TV

12.25 We go into an ESPN truck where tech bloke Stewart Scott explains what everything does. "We have cameras all around the stadium," he says. "The director chooses which pictures he wants, depending on what's happening."

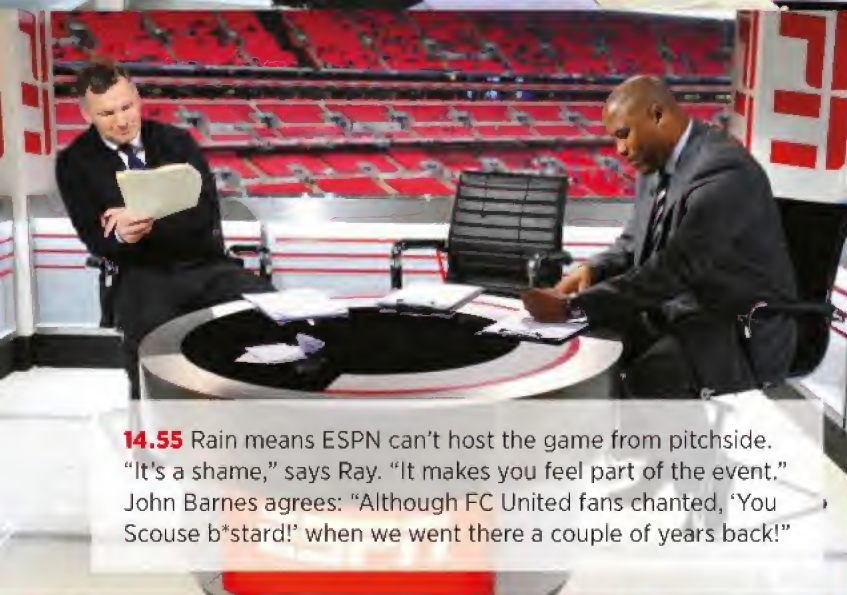

12.35 We meet pretty pitchside host Rebecca Lowe, who grabs managers for interviews. "They're contractually obliged to talk to us," she says. "They're mostly fine, and today's pair – Roberto Martinez and Kenny Jackett – are really nice."

13.10 Ray, who arrived at the stadium at 8.30am, says: "I research the teams, do some scripting and rescripting. John and [fellow studio expert] Kevin Keegan look at the factors that will come into play when the teams kick off."

13.20 After a quick visit to the plush surroundings of the Royal Box, we meet up with some RAF airmen at pitchside, and also listen in on a security briefing. "There are about 1,000 Millwall who may cause bother," says the top steward.

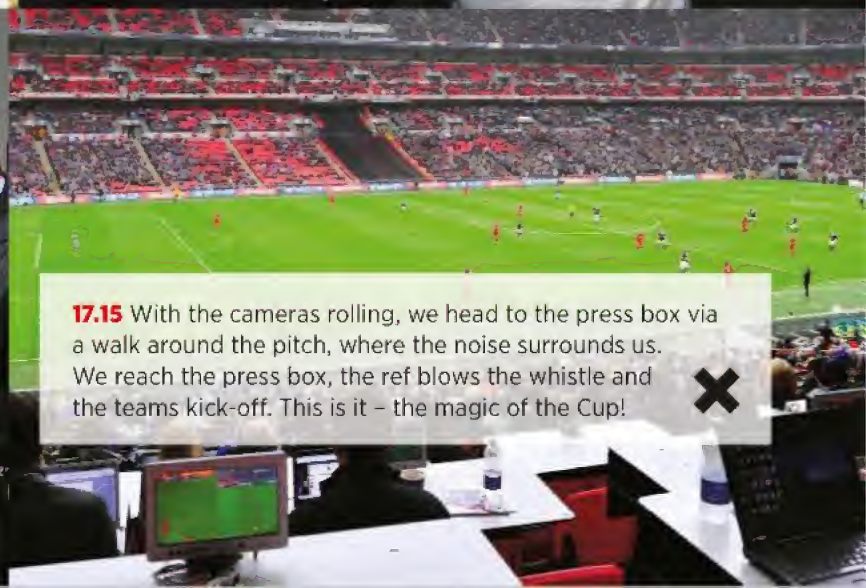

14.55 Rain means ESPN can't host the game from pitchside. "It's a shame," says Ray. "It makes you feel part of the event." John Barnes agrees: "Although FC United fans chanted, 'You Scouse b*stard!' when we went there a couple of years back!"

15.45 While the studio is being prepared now the weather has made hosting outside impossible, we bump into 1966 World Cup winner Sir Geoff Hurst. "Photo for Nuts, please, Sir Geoff?" "No problem, lads." He's still a winner in our eyes!

16.00 After a quick visit to the studio from the FA Cup itself, Nuts takes the chance to have a photo with Kevin and John as they pick the players to watch. "Anyone seen my glasses? Anyone?" says Barnsey, anxiously. Oh dear!

17.15 With the cameras rolling, we head to the press box via a walk around the pitch, where the noise surrounds us. We reach the press box, the ref blows the whistle and the teams kick-off. This is it – the magic of the Cup!

ETON MESS!

A terrifying poster for a forthcoming *Expendables* movie starring Cameron? Or just clever tweaking?

RUDE WRITING!

We always enjoy a good euphemism here at *Nuts*, especially when it's as naughty as this one!

GRAFFITI GAFFE!

"Let's put up a huge anti-graffiti poster with loads of clean, white space on it. What could go wrong?"

CHEEKY BURGER!

We love popping to Maccy's for a Big Mac, but we'll be thinking twice about using the bogs!

DAFT DEFACEMENTS

RAP ATTACK!

While Curtis Jackson "gets rich" for this Reebok ad, along comes someone to bring him down to earth.

CHIPS AWAY!

Never mind the act of wanton vandalism – who in their right mind would refuse someone's chips?

POTTY-MOUTH POSTER!

After seeing M Night Shyamalan's more recent movies, we wholeheartedly agree with this review!

CRAFTY GRAFFER!

OK, it might not have Banksy's biting satire, but we have to hand it to the creative chap behind this!

DAFT DAUBING!

Surely the work of a pesky drunk, unless this is indeed an ad for a disturbing new facial-fuzz disease.

FAIR POINT!

This sort of ad's just inviting some clever dick to come along with a can of spray paint, isn't it?

Be Polite.
GO FUCK YOURSELF!

HOW RUDE!

Manners may cost nothing, but spray paint's also surprisingly cheap, as displayed here.

BILLIE FAIERS PRESENTS...

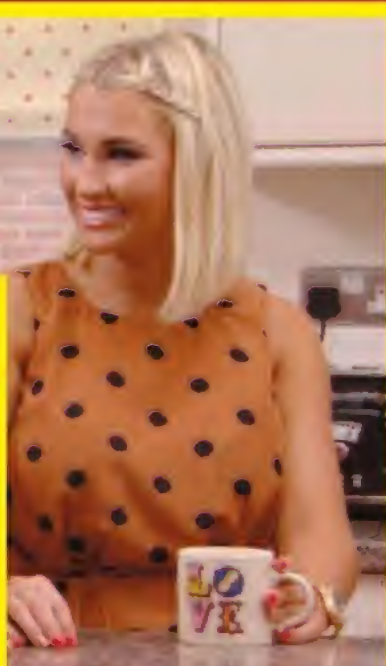

TV's Boobiest Babes!

A bevy of brill babes from the box!

BILLIE ON THE BOX!

Catch Billie and the rest of the gang when *The Only Way Is Essex* returns to our screens on ITV2 in June.

Hi Billie! What's new with you?
Hello Nuts! We've opened up another shop. I'm also going to be maid of honour at [sister] Sam and Joey Essex's wedding.

When can we expect our invite?
They haven't decided on a date yet. I have to plan the hen do first. I think we're off to Vegas.

You TOWIE girls are always trotting around the globe!
I know! We were in Dubai not long ago. It was amazing.

Does being in a hot country make you feel even sexier?
Yes, it does. I always feel better about myself when I'm tanned.

So what's coming on TOWIE?
Loads. Hopefully we're going to do another special where we go away somewhere sexy.

What if you were asked to do a series of TOWIE from a farm in the middle of nowhere?
Maybe I'd do it for a week, but I couldn't do it permanently.

If the cast of TOWIE were in a horror film, who'd be the first to fall at the hands of a killer?
I don't know. Joey Essex would be the last man standing.

Have you cut the ribbon for any public buildings in Essex?
Yes, we get asked to open shops and hairdressers.

How often are you recognised when you're out and about?
All the time. We even have TOWIE tourists who come from around the world.

That's insane! Do they get starstruck when they meet you?
Sometimes. Some just stand and stare and you have to ask them if they want a photo.

Do you ever get a bit freaked out by all the attention?
A bloke came up to me once and showed me a really bad tattoo he'd had done of me on his leg. That was a bit weird. ►

**"I always feel
better about
myself when
I'm tanned!"**

**“Rihanna told me
I looked like Barbie!”**

What do you get up to when the cameras are off?

I clean my house, go out with my friends and go shopping.

Do you still watch yourself back on telly?

Yes. But not when all the girls are over. I watch it when I'm by myself. Ha-ha!

Can you give us chaps some grooming tips, please?

Always have fresh breath, and make sure you're wearing nice shoes. Oh, and nice aftershave!

Who's the sexiest lady on TV at the moment?

She's more a movie babe than a TV babe but I absolutely love Rosie Huntington-Whiteley.

If you could snog any girl from any other reality show, who would it be?

I don't know, I've never snogged a girl!

Have you seen Holly Hagan's massive new boobs yet?

I haven't seen them yet, but I'm sure I will at some point.

Do you approve of boob jobs?

I think if it makes you feel happier and more confident then yes. If I didn't like my boobs, I'd get them done.

Are you still pleasantly shocked when you see yourself on the cover *Nuts*?

I get embarrassed if I'm in a queue and I see people looking at me, then at the magazine rack, then at me again.

Does your mum buy all the magazines you're in?

Yes, she does. Ha-ha!

If you went into acting, what drama would you end up in?

Broadchurch! I loved it. It always left you wanting more.

Thanks for the chat, Billie! Finally, you must meet loads of celebs, but who's really blown you away?

I met Rihanna recently. She said to me, "Oh my God, you look like Barbie!"

Turn the page for more TV babes!

JENNA JONATHAN *The Valleys*

Budding legal-eagle Jenna has a degree in law. We'd happily get sent down by the *Valleys* star if it meant getting a glimpse at these beautiful boobies.

FRANKIE ESSEX *TOWIE*

You were exclusively treated to a glimpse of Frankie's all-new boobies in *Nuts* not long ago. Now here she is again to brighten up our pages with her breathtaking boobs!

JESSICA-JANE CLEMENT *I'm A Celebrity...*

Bad news, boys – our JJC got married this year. But she still found time to tweet plenty of bikini-clad and topless pictures for us to enjoy. God bless the internet!

GEMMA MERNA *Hollyoaks*

Here's Gemma relaxing in her smalls, but more recently she turned up to *The Rocky Horror Picture Show* in just a pair of pants. Let's do the time warp again? We'll say!

KELLY BROOK *Celebrity Juice*

After meeting on Keith Lemon's 2012 flick, he somehow persuaded our Kell to fill in for Fearne Cotton on the latest series of *Celebrity Juice*. Good on you, chap! ▶

A full-page photograph of Lacey Banghard posing on a wooden staircase. She is wearing black lingerie, including a bra, a thong, and thigh-high stockings with garters. She is holding a black strap in her right hand. The background shows the wooden steps and railings of the staircase, with some greenery visible in the distance.

TV'S BOOBIEST BABES

LACEY BANGHARD *Celebrity Big Brother*

Nuts fave Lacey has joined the campaign to prevent another rise in tax on booze, encouraging people to write to their local MP to complain. Doubles all round, we say!

CHARLOTTE LETITIA *Geordie Shore*

What's black and white and red all over? Why, it's a Newcastle United fan, blushing after encountering Charlotte and her Tyneside tearaways on a night out!

LAUREN GOODGER *TOWIE*

This year's *Dancing On Ice* was worth watching for Lauren's cleavage and judge Jason Gardiner's comments that she had the sensuality of a walrus. What a twerp!

LAUREN POPE *TOWIE*

Earlier this year, we were delighted to hear that everyone was making a fuss about the Pope. Unfortunately, they were just on about some bloke in Rome, not lovely Lauren.

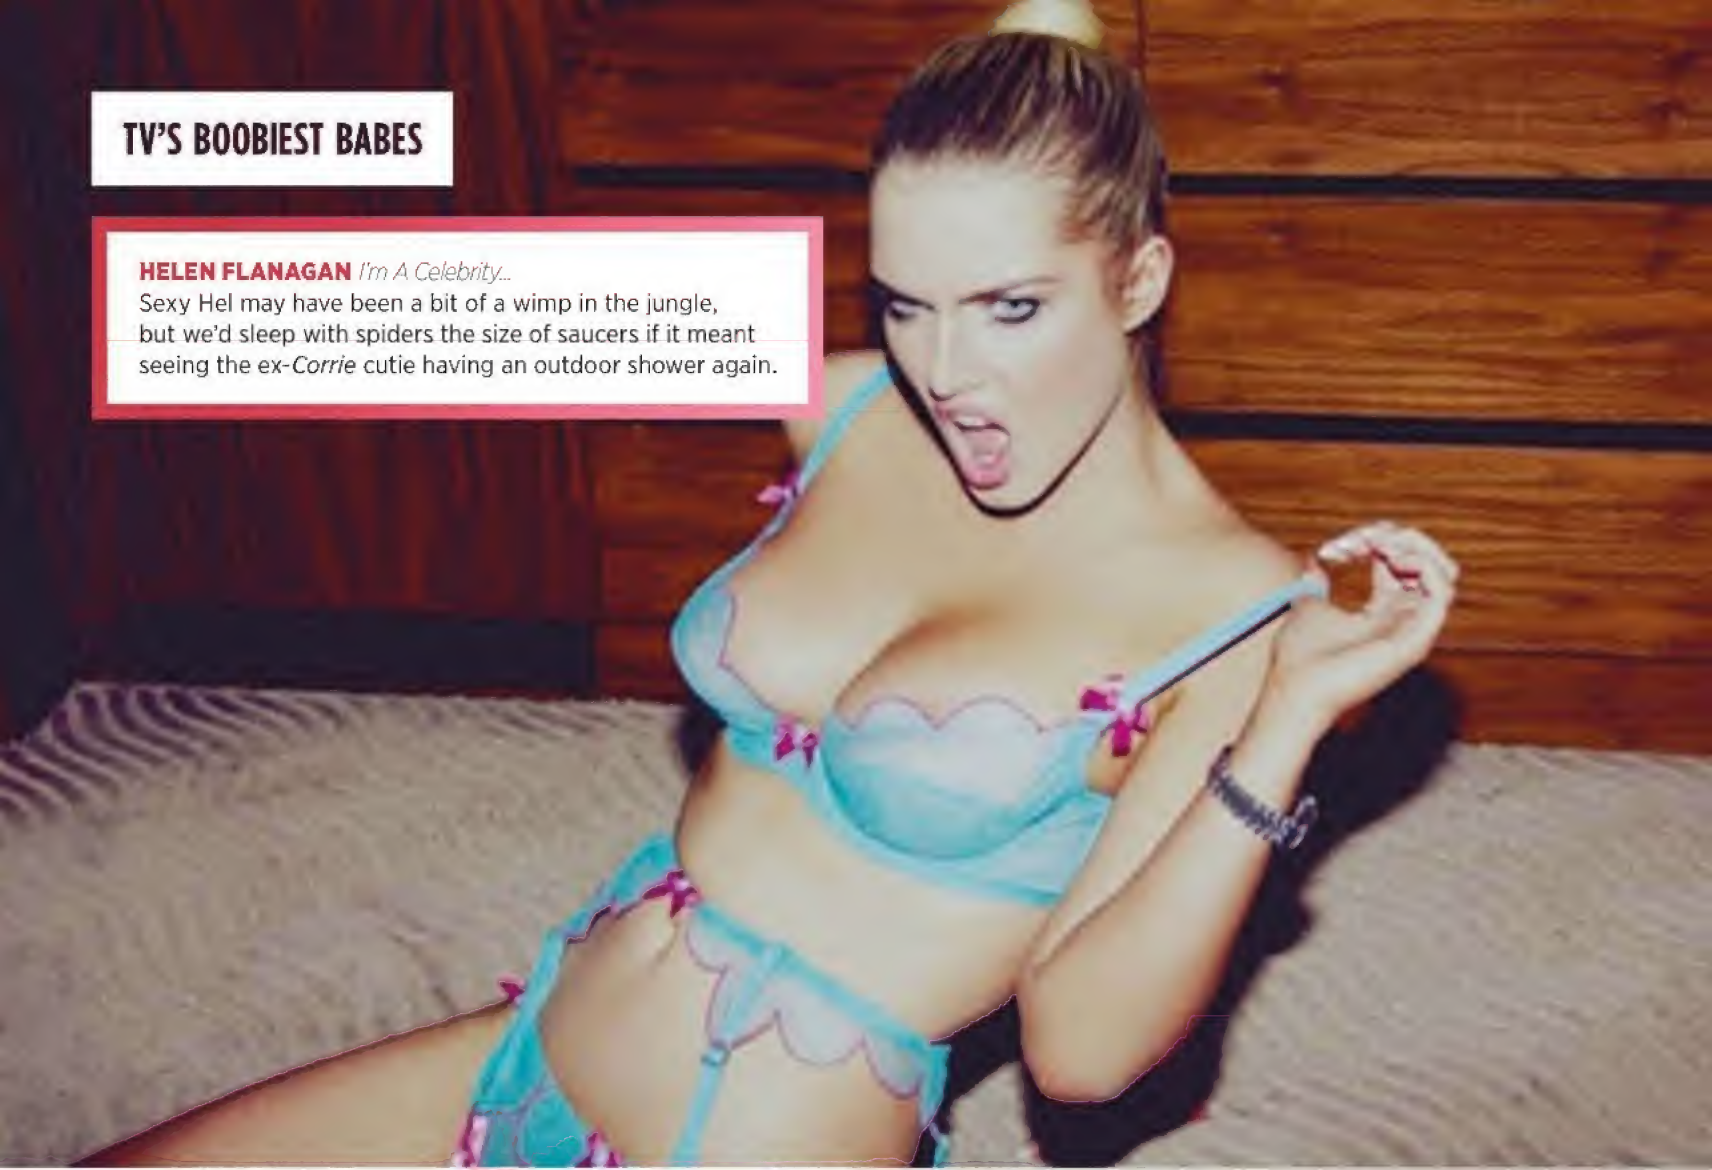

LATEYSHA GRACE *The Valleys*

The Beyoncé-esque beauty says she's a big fan of Keith Lemon, which will be good news to Keith's ears. You should get to Wales and guest in *The Valleys*, Keith! ▶

TV'S BOOBIEST BABES

HELEN FLANAGAN *I'm A Celebrity...*

Sexy Hel may have been a bit of a wimp in the jungle, but we'd sleep with spiders the size of saucers if it meant seeing the ex-*Corrie* cutie having an outdoor shower again.

HOLLY HAGAN *Geordie Shore*

Fiery redhead Holly was in *Nuts* again recently showing off her new 30FF boobies. We can exclusively reveal that they're so big they almost broke our cameras!

CHLOE SIMS *TOWIE*

As you can tell, we love the *TOWIE* girls at *Nuts*, and Chloe here is one of the original and the best. We love that she's always having fun with fellow fittie Frankie Essex.

POLLYANNA WOODWARD *The Gadget Show*

Whether she's being sexy in her smalls, or teaching us about the latest gadgets and gizmos on telly, Pollyanna's the painfully pretty girl with the cool day job.

ANNA KELLE *The Valleys*

Anna was reportedly stepping out with Chelsea's Ashley Cole after making him wait five months before they had rumpy-pumpy. All good things come to those who wait!

HEIDI MONTAG *Celebrity Big Brother*

Did anyone see Channel 5 show *Speidi: Scandal, Secrets & Surgery*? No, we were out that night too. Still, we did enjoy gawping at Heidi in *CBB* earlier in the year. **X**

Nuts Games Deal or No Deal masterclass!

A host of hot tips to help you win big with *Nuts Games*!

YOU MAY think Deal or No Deal is a game for people who believe in "systems". But take it from us – the multi-line slot game certainly isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all 20 pay lines, you could win a big progressive jackpot. At the time of writing, this was £420,520.89 and could be even more by the time you read this, unless some lucky winner has won it! So visit nutsgames.co.uk and start playing now!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can also win extra cash!

Number lines

Click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win big!

Bonus game

If you bet on all 20 pay lines and get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake.

Mark won £171,715!

Mark S won big with Deal or No Deal slots!

"This is surreal. I can't believe I've won, all from a £10 deposit. I'm still in shock!"

10 RUDE QUESTIONS!

And a real girl to answer them!

Riah

19, Birmingham

1 Where's the strangest place you've had sex?

"It has to be when I was on holiday last year. We wanted to have sex on the beach but there were too many people around. We went into the crawl space under a house instead. I felt so naughty! The rocks scratched all my back and bum, but it was worth it."

2 What's your trademark move in the bedroom?

"Definitely me on top. I've been told by my past lovers that I'm easily the best they've ever had because I have so many special moves. Of course, it helps being a dancer!"

3 What really turns you on?

"What really does it for me is a man who can take control, throw me around and maybe add a bit of role-play to make things more daring and spontaneous. I'm always up for experimenting and love using cream or chocolate, even though it can get a bit messy sometimes. But great sex is always messy, isn't it?"

4 What's your favourite position?

"I always try to make sex more exciting and adventurous than the last time. I'd hate to choose just one but if I had to, I'd choose the reverse cowgirl – being in charge of how things go down makes it way better!"

5 Is it better to give or receive?

"Everyone knows it works both ways, but I must say that I do like to receive. Obviously, it helps if the guy knows what he's doing. There's more to it than just going through the motions, you know!"

6 What one thing would you really like to try but haven't yet?

"If there's any way you could skydive while having sex, I'd sign up for that straight away. I'm afraid of heights, but that's one thing I have to try. The adrenaline rush you'd get from jumping out of an aeroplane and plummeting towards the earth would be amazing!"

7 What's your role-playing costume of choice?

"My sexiest costume would be a sexy nurse. Not just because I get to show my nurturing side, but also because I like to give all my attention to the guy I'm with. It makes him feel special and definitely keeps him coming back for more."

8 What's the rudest thing you've done?

"I've done so many rude things in the past. Is breaking your friend's bed while having sex rude enough for you? That was a great night, and I felt even more naughty as she didn't know it was me who did it. Although she'll know when she reads this. Ha-ha!"

CONFESSION OF THE WEEK!

'Gym session got heated'

I USED to work at a health club as a receptionist, and one afternoon, a tall, fit guy came in for a workout. Afterwards he phoned reception for a drink. I took it into the changing room where he was showering, and he asked for a towel. As I handed it to him he pulled me into the shower! He kissed me passionately, the water soaking my top and making my nipples stand out. I couldn't resist as he unbuttoned my soggy shorts and massaged my clit. I soaped him down with long slow strokes and he returned the favour with interest!

Anon via email

'We had fun on the train'

ON MY daily commute to work, I'd often see this hot guy checking me out. We'd

only said the odd hello but I could tell more was going on. One day on the way home, the train was busy and everyone was squeezed together. I felt a hand on my thigh, and turned quickly to discover that

the culprit was none other than the sexy guy. I pressed myself harder against him and felt his hand slip between my legs. When the carriage emptied out, we moved to the back and sat down. Covered by the table, I rubbed his throbbing erection while he continued to stroke me over my panties. I had to get off at that point, but we exchanged numbers and a night of passion ensued the following weekend.

Lou Essex

'I got naughty with my ex'

I'VE BEEN single for a year now but my ex-boyfriend lives nearby and it's difficult to resist calling him when I'm horny or bored. Last week, after a night out, I was really in the mood for sex, so I called him and headed straight for his house. I slipped my panties off in the taxi, and when my ex buzzed me in I quickly had him pinned up against the wall. I grabbed at the bulge in his trousers, and the look of surprise in his eyes was a real turn-on when he slid his hands up my skirt and realised I was bare. I was so aroused that there was no way I could wait to get to the bedroom. I unbuckled his jeans and straddled him right there in the corridor!

Clara Southwest London

'We did it in the kitchen'

I OFTEN play tennis with friends at a local sports centre. There were two guys who I'd played the odd game of doubles with there, and I really fancied one of them. I was never sure if it was mutual but one day, my friend left early so I decided to walk home. A car drove past, and my man from the club stopped and offered me a lift. I jumped at the chance. In the car we flirted loads and he invited me to back to his for a few drinks. When we pulled into his drive, we started kissing and had our hands all over each other. Soon I was on top of him. I could feel his hard bulge pressing between my legs – it turned me on and it only took a few rubs to have me moaning. We went inside and he finished me off by doing me doggy-style in the kitchen!

Baines: 'We belong in Europe!'

The brilliant Everton and England left-back on gaffer David Moyes, his love of music and the big Merseyside rivalry!

➔ **Hi Leighton! Victory in the Merseyside derby will more or less ensure you finish above Liverpool this season. Is that an extra incentive?**

Of course there are rivalries, but that doesn't motivate us. We look after ourselves. In recent seasons we've proved we're a good Premier League side, irrespective of where Liverpool finish. It's good for the city to have two teams in the mix near the top of the table, though.

Do you like your reputation as being the Premier League's biggest grafters?

We're a decent side who play football but we battle for the right to play. Every single lad in the dressing room has the same qualities. Sometimes, I'm even surprised myself by the amount of effort and determination our players are willing to put in, each and every game. I guess the attitude comes from the manager and the culture he's instilled at the club.

What is that culture?

There's an expectation we give everything, 100 per cent of the time, and it's shown again this season how far this can take you. Some of our lads have been playing through injuries, such is our desire as a group. It's inspirational to see those kinds of things.

There's talent in the side too...

We have real quality throughout the side, and maybe this has been underestimated in previous seasons. Sides don't like facing us for a variety of reasons, one of which is that we have talented footballers!

Some pundits say you're now the best left-back in England - better than Ashley Cole!

Ashley has been a brilliant footballer for as long as I can remember. For me, he's a player I look up to and still learn from. My job is to keep playing well for Everton and do my best if called upon by England. Those are the only things I can control.

Your love of music like Oasis and Arctic Monkeys earned you a profile in the NME. How come you're such a muso?

I think music's a little thing to escape into. Once I come away from training I can't be bothered watching football on the TV and the news. That said, I love playing it and wouldn't swap it for anything.

Your tastes are quite "mod" and people seem surprised by that. Why do you think that is?

To most people, you say "footballer" and the immediate reaction is the stereotype: the R&B and all the stuff that comes with it. It's really strange that people find the idea of a sportsman being into decent music weird.

Do you ever get the chance to let your hair down at festivals?

I don't, to be honest. I just sit at the back and take it all in. I'm a bit of a sap. And I'm a jinx. Every festival I've been to, it's p*ssed it down, which puts a dampener on it unless you can get off your cake!

What's your dream gig?

Do they have to still be going? No? In that case, it's the Beatles. But that's not going to happen, is it?

Back to football. Are you hoping David Moyes will stay?

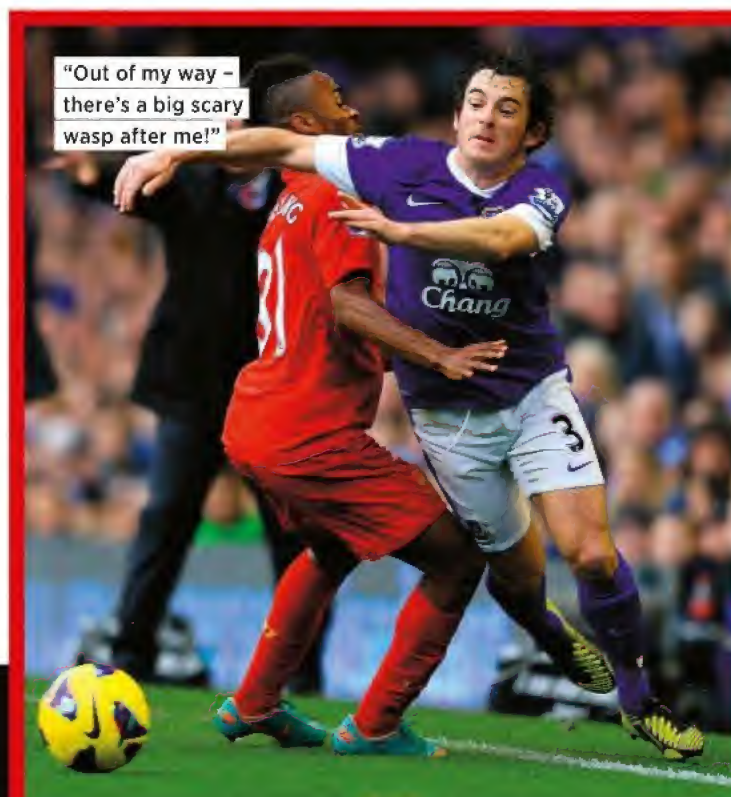

He's been great. What he has achieved and continues to do under the circumstances is amazing. We haven't spent big but we're still competing at the top of the table and are in the mix for the Champions

League. With more money maybe we could go to the next stage. Although money doesn't always buy you success, more funds definitely gives you more opportunities.

Thanks for the chat, Leighton. Finally, is this the best Everton squad you've been part of?

Yeah. We've always been a tough side to beat but perhaps we've got a little more quality throughout the dressing room. European football was, and is, the goal, and although we're not favourites to get there, we're battling away. If, and when, we do play in Europe again, we won't look out of place.

● Liverpool vs Everton is on Sky Sports 1/HD on Sunday 5 May at 1.30pm.

Mochaccinos, please"

- In the 2011/12 season, an injury prevented him from registering 100 consecutive league games – he was left stranded on 99.

- He is mates with the musician Miles Kane of The Last Shadow Puppets, who he met at a wrestling event.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Oh, Luis, you have the most ghastly split ends!"

Let's hope Suarez has the capacity to change!

Because, really, you just can't go around biting your opponents!

➔ **WHERE DO** you even start with Luis Suarez? Phew! I think the one good thing to come out of it is he's admitted he needs help.

It's surreal to see someone doing that on a football pitch. He obviously has that mental switch that clicks on every now and

then, but with therapy you'd hope that'll be the last of it.

A lot of people have called for Liverpool to sell him, but they won't. Suarez has done a lot of good for Brendan Rodgers, who has a duty of care towards him and has to stand by him.

As for the ten-match ban, it does seem a bit excessive.

Surely a more sensible solution would have been to ban him for the rest of the season and suspend the rest so he can show us all the progress he makes over the summer break.

One thing's for certain – I think it's fair to say he won't be winning the Player Of The Year Award!

"OK, Patrice is Rambo, David's a zombie. Who shall I pretend to be?"

United's big win won't harm Prem!

YES, MAN United were way out in front when they won the Premier League title, but it's still a tough league to win.

In the end they romped home, just like Bayern in Germany, Juventus in Italy, Barça in Spain and Celtic in Scotland. But that's not to say that the competition in the Premier League isn't fierce – United have just been consistently better than the other teams.

I imagine all those teams in the other leagues will use these runaway wins as motivation to get better next season, and Man City, especially, will be coming out of the traps fighting next season to wrestle the title back.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

RVP ROCKET!

What a strike! RVP's done this before in an Arsenal shirt, so it's not like it was a fluke. I don't think I've ever seen a ball given such a wallop.

UNBELIEVABLY BAD!

BIG MISS!

The flip side of that goal – imagine how Arsenal fans must feel to see RVP do so much to win United the title. I'd have been tempted to let him run his contract down.

Follow that, Pep!

I DON'T think any of us predicted that Bayern Munich would annihilate Barcelona. I'm willing to bet that if Barça boss Tito Vilanova had his time again, Lionel Messi wouldn't have started. An extra week for him to get fit could have made all the difference, but they've learned a harsh lesson against an awesome Bayern. Imagine being Pep Guardiola – he might have to take over at a team that's just won the Treble. I wouldn't fancy that!

"No, mate – I don't want to admire your bicep!"

Rio's doing some ribbing!

I LOVED the pic of Man United players piling into a Man City-branded cab. No ifs, no buts, Rio Ferdinand will have had a hand in that! That'll be his way of having a pop at their great rivals. "Ferry us around – we're the champions!"

Mayweather: 'I know I'm going to win!'

Pretty Boy Floyd talks about his upcoming bout, Amir Khan and fighting in the UK!

➔ **Hi Floyd! How's training going for the fight?**

The training camp has been unbelievable. I'm in the gym every day during the week working for hours. I always put in the hard work and dedication. I have the extra drive and motivation to really put on a good show.

What sort of fight do you expect from your opponent Robert Guerrero?

I expect a hard fight. He's mentioned among the other great champions in boxing today because he's proven himself. He'll now have to prove himself against me, which is a whole other story. Guerrero's a tough fighter who has been calling me out for almost two years. He wouldn't be in the position to face me if he wasn't. He's a champion who deserves the biggest payday of his career and a shot at defeating me. He's going to

put it all out there, but so am I, just as I have in all 43 of my professional fights, and we know how those turned out!

You're confident of a win then? What's your prediction?

I never make predictions other than I know that I'm going to win. You can't make those kinds of calls without getting in the ring with the fighter and knowing how they work and how they react to my defence and my strategy in the ring.

Does the MGM Grand feel like home now?

Yeah, absolutely. I've fought at the MGM nine times. Las Vegas is my home and to be able to fight in my backyard is the best feeling. There's always a great energy in the arena because you know those are the hardcore boxing fans. The MGM has treated me well over the years and I'm happy to keep bringing the Mayweather money back there.

Your promotional company, Mayweather Promotions, seems to be going well.

It is. One of my fighters, Ishe Smith, recently won a championship. I told Ishe that I'd get him a championship fight, and I held up my end of the bargain by putting him in the ring with K9 Bundrage and he held up his end by winning. He's the first Las Vegas native to win a world championship and I couldn't be prouder that he's part of the Mayweather Promotions stable of fighters.

"You're alright, mate - I'll just punch myself"

Will you ever fight Amir Khan?

If it makes sense for me to fight Khan in the future, I'll consider it, but right now I'm fighting Guerrero and that's it.

Did you happen to see Ricky Hatton's last fight?

Yes, I did. I was so happy that the crowd came out for him the way they did and it was sad to see him go down like that. I have a lot of respect for Ricky Hatton. Our fight was one of my biggest and I wish him all the best.

Would you want to fight in the UK before you retire?

I have so many fans there. I'd love to fill the O2 Arena and give the UK fans a great show and show them how much I appreciate their support.

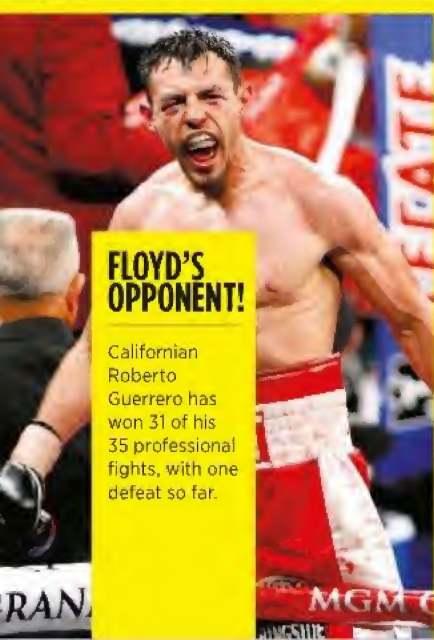

Do you ever get nervous before any fights?

No. Do you get nervous before you go to work? This is what I do!

Thanks, Floyd! Finally, does a Manny Pacquiao fight still interest you?

It isn't on my radar. Manny Pacquiao was knocked out by Juan Manuel Marquez in his last fight. I wish him well but all I know is I'm fighting Robert Guerrero on 4 May and that's my focus.

FLOYD'S OPPONENT!

Californian Roberto Guerrero has won 31 of his 35 professional fights, with one defeat so far.

Mayweather

Mayweather in numbers!

217

The number of seconds his debut pro bout lasted against Roberto Apodaca of Mexico before he knocked him out.

24

The number of months it took for Mayweather to win his first world title after turning professional. It was his 18th professional win.

3/10/1998

The date of that first world title win, when he defeated American Genaro Hernandez in the eighth round to take the WBC super-featherweight title.

115,000,000

Mayweather's estimated worth in US dollars. However, his career earnings total nearly 100 million dollars more than that figure.

9,734,000

The total number of buys on pay-per-view that his last nine fights have generated, including 2,500,000 for his dust-up with Oscar De La Hoya.

32,000,000

Who the heck is Lewandowski?

Nuts gives you the lowdown on the man who destroyed Real!

➔ **BORUSSIA DORTMUND** striker Robert

Lewandowski became the most talked-about man in football last week, as he put four goals past Real Madrid. So who is he? Let Nuts educate you...

● Real vs Dortmund, Tues, 7.30pm, ITV/HD.

HE'S A RECORD BREAKER!

No other player has scored four goals against Real in European competition, and only three have managed it in any competition in 87 years. Only Real's Ferenc Puskas, in 1960, had scored four in a semi-final or final of Europe's major club competition.

HE COULD HAVE ENDED UP AT BLACKBURN!

Icelandic volcano Eyjafjallajökull is the reason Lewandowski didn't end up at Blackburn Rovers. Robert was set to travel from Polish club Lech Poznan to sign for Rovers in 2010, but the ash cloud stranded him and Dortmund stepped in.

HE COULD HAVE ENDED UP AT SPURS, TOO!

That's if the claims of Spurs legend Steve Archibald are true. During Lewandowski's demolition show last week, Archibald tweeted that, while the player was at Lech Poznan, Archibald offered him to Spurs for "less than £5m". Spurs said no.

HE'S EVEN BETTER THAN DERBY COUNTY!

Yes, really. The last player to score a hat-trick against Real in Europe's top competition was Charlie George of Derby in October 1975. An omen for Dortmund fans - Derby won the home leg 4-1, then went to the Bernabeu and lost 5-1...

HE'S A £30MILLION MAN!

Man United are reportedly interested but they'll need to pay at least £30m. £34m is the figure being bandied around, which would make him United's most expensive player, eclipsing the £30.75m they paid for Dimitar Berbatov in 2008. Bargain!

"Whoa! What a f**king goal!"

MAN UNITED VS ASTON VILLA Old Trafford, 22 April 8.13pm
United's gaffer echoes Evra's feelings, only with swearing!

Rio Ferdinand:
